Dear Sir or Madam,

This letter is to express my interest in the posting for data scientist role. Having hands on experience in creating and delivering AI applications, I am confident I will be an asset to your organization.

From 2014 to 2018, while working at , Nokia Shanghai Bell Co. , Ltd , July 2017 to Developed Web data statistics and visualization tools based on Spring MVC and Spring Built an online computing and display platform for the Department of Fixed Network Development ' s training , development and data statistics Extracurricular Activities. Also, . Throughout this project, I learnt how to collaborate and work effectively in a team in order to accomplish a common goal.

The role of data scientist at your company is a promising next step in my career, and one where I'm confident I can advance my skills and create dynamic, innovative AI solutions for more clients than ever before.

I enjoy being challenged and engaging with projects that require me to work outside my comfort and knowledge set, as continuing to learn new techniques are important to me and success of your organization. I have attached a copy of my resume that details my experience. I can be reached anytime via cell phone, +65-93752168 or via email at liyingxujiachen@hotmail.com. Thank you for your time and consideration. I look forward to speaking with you about this opportunity.

Yours faithfully,

Virtual Assistant on behalf of Mr. ISS NUS
