Dear Sir or Madam,

Having worked as a data scientist for 20 years, I am ready to start the next chapter in my life. So I was thrilled when I came across your job post in search of data scientist. With both my educational and professional background in data scientist field, I believe I have what it takes to be the perfect choice for data scientist role.

From 2014 to 2018, while working at , Nokia Shanghai Bell Co. , Ltd , July 2017 to Developed Web data statistics and visualization tools based on Spring MVC andSpring Built an online computing and display platform for the Department of FixedNetwork Development ' s training , development and data statisticsExtracurricular Activities. Also, .Throughout this project, I learnt how to collaborate and work effectively in a team in order to accomplish a common goal.

The role of data scientist at your company is a promising next step in my career, and one where I'm confident I can advance my skills and create dynamic, innovative AI solutions for more clients than ever before.

I would like the opportunity to meet with you to discuss the opportunity. You can reach me by phone at +65-93752168 or by email at liyingxujiachen@hotmail.com Thank you for your consideration.
