Dear Sir or Madam,

Having worked as a data scientist for 14 years, I am ready to start the next chapter in my life. So I was thrilled when I came across your job post in search of data scientist. With both my educational and professional background in data scientist field, I believe I have what it takes to be the perfect choice for data scientist role.

Since earning my degree from Koc University in [], I have worked in ,, as a data scientist. In this position, Deploying machine learning solution on the cloud . Also, Improved A/B test designs that resulted in roughly 17 % more tests reaching significance .

The role of data scientist at your company is a promising next step in my career, and one where I'm confident I can advance my skills and create dynamic, innovative AI solutions for more clients than ever before.

I would like the opportunity to meet with you to discuss the opportunity. You can reach me by phone at or by email at Thank you for your consideration.

Yours faithfully,

Virtual Assistant on behalf of Mr. ISS NUS
